

2010 HMBANA Conference

April 12-13, 2010 | Hyatt Regency Cambridge
overlooking Boston, MA

This third International Congress on donor milk banking, uses of human milk and breastfeeding advocacy brings together a unique group of speakers and participants from around the world. Cutting edge clinical practice and research will be presented in this exciting two day event.

*100 Years of
Milk Banking:
Looking Back and
Reaching Forward*

General Information

HMBANA:

Setting the standard for donor human milk banking in North America

The Human Milk Banking Association of North America (HMBANA) is a multidisciplinary group of health care providers that promotes, protects, and supports donor milk banking. HMBANA is the only professional membership association for milk banks in Canada, Mexico and the United States and as such sets the standards and guidelines for donor milk banking for those areas.

Educational Credits

Application is pending for CERPS (Lactation Consultant-CERPs unless otherwise indicated), CEUs for nurses, dietitians, and social workers, and category 1 equivalent CME credits for physicians. All participants should claim credit commensurate with the extent of their actual attendance.

Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME).

Faculty Disclosure Statement

Educational programs must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, and planning committee members are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity. Note: While it offers CME credits, this activity is not intended to provide extensive training or certification in the field.

Purpose of the Conference

To increase health professional knowledge about the uses of human milk, global milk banking practices, and breastfeeding support.

Conference Objectives

At the conclusion of this program, participants will be able to:

- Describe the short term and long term benefits of donor human milk for preterm infants
- Outline the safety of donor milk including disease transmission, contamination, screening and processing
- Describe the beneficial composition of human milk, including the latest research on oligosaccharides, anti-tumor effects and effects of additives on human milk
- Apply strategies for effective support for the mother who is breastfeeding a preterm infant
- Outline key factors in effective storage and handling of human milk

Call for Poster Abstracts

Please email a poster abstract of 250 words including authors and disclosure of funding sources before February 11, 2010 to info@hmbana.org (subject line should read "HMBANA 2010 Abstracts"). Participant must be registered for the conference for posters to be accepted. All poster presentations must comply with the WHO Code of Marketing of Breast Milk Substitutes and Massachusetts laws about educational conferences. A 4x8 poster display board will be provided.

Hotel Information

Hyatt Cambridge Hotel

Fall in love with the "lighter" side of Boston at this critically acclaimed landmark Cambridge hotel. Just across the Charles River from all the action of the city; Hyatt Regency Cambridge combines the classic style and elegance of Boston with the relaxed, youthful vitality of a college town. Jog along the river's edge or exercise on your own schedule in the 24-hour StayFit center. The dedicated staff of our Hyatt Cambridge hotel will make sure you feel more than welcome. For more information and location details visit www.cambridge.hyatt.com. The hotel is located at 575 Memorial Drive, Cambridge, Massachusetts, USA 02139, telephone 617-492-1234.

See Boston via Duck Tour!

Are you arriving on Sunday, April 11 and want to see Boston that afternoon? A Boston Duck Tour is a wonderful way to get a great look at Boston on land and water! See all the major landmarks and hear the history of the city as you tour Boston in a renovated World War II amphibious vehicle. The tour will begin and end at the Hyatt Regency Hotel in Cambridge and will take approximately 90 minutes. The price per person is \$39. Exact details will be sent in your confirmation email prior to the conference.

Registration Policies

The registration fee includes continental breakfast, breaks, lunches and the conference syllabus (by electronic copy and registered online access) for Monday & Tuesday. The deadline to register in advance is April 1, 2010. After this date, you must register on-site and space is not guaranteed.

We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you.

Cancellations

A full refund, minus a \$25 processing fee, will be given for all written cancellations received at the HMBANA office by April 1, 2010. No refund will be given after this date, or for no-shows.

In the unlikely event that the program is cancelled, HMBANA will refund the registration fee in full, but is not responsible for any travel or hotel costs you may incur.

Conference Registration is ONLINE ONLY!
